## If Animals Could Talk ...

*by Becky*

My cat would tell me to give her as many treats as she wants. She also would tell my parents to stay up with her *all* night long! Misty would tell us never to leave her home alone by herself overnight, or when we go to the beach for a week. Misty would tell my mom *not* to take her to the vet.

If Misty *really* talked, it would be *so* funny!

## Friends

*by Tony*

I have a good friend who talks with me a lot. She helps me with a lot of things. I am thankful for her friendship.

*by Mike*

I have a friend named Wayne. He is kind and nice to me. I go see him at church in his Sunday School classroom. I see him at Able to Serve. He makes me happy.

*by Jennifer*

When I first moved to Smithfield, I met a friend whose name is Isabel. She was a good roommate until she moved out and had to go to another nursing home. I really miss her. She is still a good friend.

## The Hulk

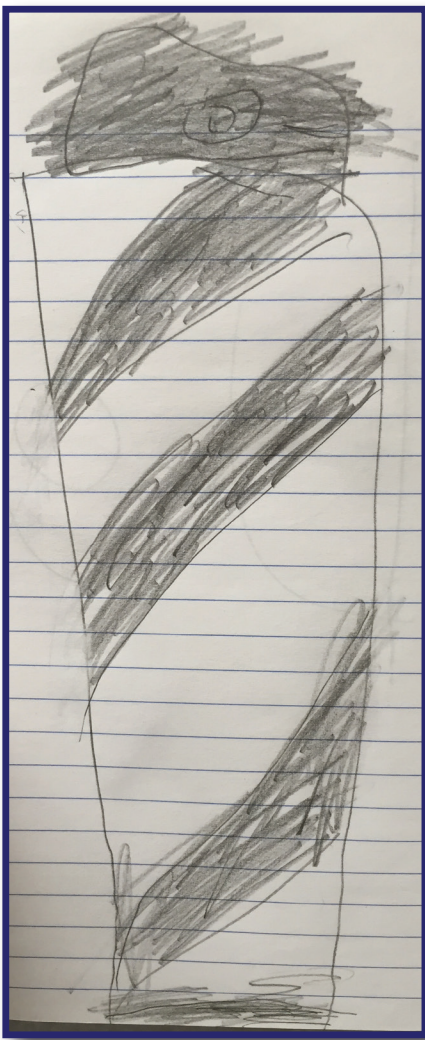

*by Dylan*

I like the Incredible Hulk. He is big and huge and green. He growls when he is angry. He likes to smash things. He can jump very far and very high. He breaks everything he touches. He is my buddy.

## My Dream Car

*by Jennifer*

My car is the Dodge Charger. If I could afford a car, I would buy a Dodge Charger. It is my favorite car. It is a four-door.

## Mike's Favorites

by Mike

My favorite thing about summer is going swimming at the pool and beach.

My best vacation ever was going to see my grandmother in Massachusetts and spending the night there.

## Luggnut

by William

I had a pet, but he was more like a brother. He was a white boxer, but he had brown around his left eye. His name was Luggnut.

Luggnut liked to bark a lot. He could not walk good, so "May-May" made him a doggie wheelchair. He always like to sit out on the swing with me.

## My Room

by Beryl

My room is pink. I wish it would be clean. In my room I find makeup, clothes, books, bags, and purses. My bedspread is pink and purple. I have a black chair and a computer. I have a light and Beanie Babies. I have a TV and CDs by Alan Jackson, Russ Taff, Keith Urban, and Tim McGraw.

## Cody's Favorites

by Cody

I like to go to work with my mom. I like to eat hot dogs, but I also love steak. I like to go to the beach.

## My Kentucky Trip

by Jennifer

My best vacation was when we left Thursday, July 17, 2015, about 12:00 p.m. on our way to Kentucky. We stayed at a Days Inn in Charleston, West Virginia Thursday night. Then we got up Friday morning and we went to Kentucky.

When we got to Kentucky, we went to see our friend. We took him out to supper, and on Saturday we took him out to lunch. We spent two nights at the Hampton Inn.

On Sunday we went to church with our friend. Then we went to Tennessee. On Monday we went shopping. We came home on Tuesday.
